

# Push Easy Cutters

Creating personalised decorations has never been so simple with the Cake Star Push Easy Cutters. The range consists of uppercase and lowercase letters in various sizes, as well as numbers, shapes and flowers.

## Easy To Use

These easy-to-use plunger cutters give cake decorators of all skill levels a quick and easy way to create impressive decorations for any occasion. Simply cut out your shape, push down the plunger cutter and release for a professional finish every time!

## Mini Vs Original

Have you seen our new mini alphabet and numbers Push Easy Cutters? This smaller size of the cutters means they can be used with a wider variety of bakes including cupcakes and cookies, or for using more lettering and numbers on a larger celebration cake.
