

# CULPITT

## Feeling the pinch with rising costs? There is a silver **cake board** lining...

Introducing **NEW standard cake boards** in our most popular sizes to allow you to continue to buy **everyday cake boards at everyday low prices.**

You'll still find the widest choice in our bestselling premium UK-made cake boards range, but now you'll also find a new all-rounder (and square, and oblong...) to help keep your costs down on everyday cake business needs.

## PREMIUM CAKE DRUMS

We're proud of our premium cake boards. They're made in the UK with top quality materials and over 100 years of handmade heritage behind them. That's why they're trusted by professional cake makers and decorators like you.

- Our strongest cake board
- Widest range of sizes
- Effortlessly support the heaviest cakes
- Manufactured in the UK to the highest standards
- For the most exceptional cakes
